

FAIR EXHIBITOR CODE OF CONDUCT

This must be signed by the exhibitor and turned in with entries no later than Aug. 1 2014

In an effort to make our fair a fun and safe venue the Richland County Fair and Recycling Committee has developed the following code of conduct to protect all exhibitors and fairgoers.

1. Do not engage in any activity that will negatively impose upon others. This includes but is not limited to tampering with the property or entries of fellow exhibitors, making rude or derogatory comments about others or their entries, and any action that may be construed as tampering with property including that of fairgoers and the Richland County Fairgrounds.
2. Overnight privileges: Anyone staying on the fairgrounds after hours will be required to obtain an overnight wristband from the fair office. All Junior exhibitors staying overnight will also be required to fill out an overnight permission slip designating an adult chaperone who will accompany and be responsible for the minor at all times. Anyone on the grounds or in the barns without a wristband will be ejected from the grounds until they have obtained a wristband.
3. Conduct yourself in a respectful manner while showing: avoid foul language and exhibit good sportsmanship and respect for others.
4. Comply with all state, local, and federal laws while on the fairgrounds.
5. No alcohol, drugs, or smoking in the barns or exhibit halls. All alcohol consumed on the grounds must be in the designated beer garden and only by those 21 and older. Identification will be checked when in the beer garden.
6. Follow all rules included in the fairbook including general rules on page 6, animal health regulations page 7-12 , Chapter ATCP 160 page 13-14, and department J – Junior Fair page 38, as well as all department specific rules.

Violation of this code of conduct will result in forfeiture of any premiums earned during the fair, forfeiture of privileges to continue showing during the remainder of the fair with the possibility of extending that period through the fair of the following year. If a violation involves illegal behavior, legal action may be pursued.

I have read and understand the above code of conduct and the actions that will be taken if a violation occurs.
