CLASS - MARKET BEEF

All steers in market classes must be identified in accordance with the Meat Animal Sale rules located at the beginning of Dept. 102. Dairy Steer division will be steers and dairy crosses of breeds shown at World Dairy Expo, and other breed or breed influence will be considered a beef animal and show under the beef classes. Steers will weigh in on Thursday of the fair with time to be posted in the barns Wednesday night.

TOTAL OF 2 STEERS PER EXHIBITOR. If the exhibitor has two animals fall into the same weight class, the exhibitor has the option of leaving the animals in the same class or moving the heavier one into the heavier weigh class. If the animals stay in the same class, the exhibitor will receive only one premium. The higher of the two ribbons will be paid to the exhibitor. However, if the two animals are already in the heaviest weight class and neither can be moved upward, then the exhibitor will be allowed to receive two premiums.

Junior Beef Superintendents and two members of the Richland County Beef Producers will set market classes for the steer show. These class breaks will be completed 2 hours after the last steer is weighed.

Junior Beef Superintendents and two board members from the Richland County Beef Producers will make up the sale order for the steer sales. This order will be completed 3 hours after the completion of the junior show.

- 1. Beef Steer Weight Division** (Beef breed and dairy-beef crossbred steers). (For each steer you plan to exhibit, you must have a separate entry using the Beef Steer entry each time.)

- 3. Dairy Steer Weight Division Class** - Dairy steers will be of dairy breeds shown at World Dairy Expo. All other breed or breed influence will be considered a beef animal and show under the beef classes. If the superintendent or judge question the breeding of the steer, the steer will be placed in the breed steer classes, unless the exhibitor can prove the steer is of

the approved breeds through registration paperwork or blood test. (For each steer you plan to exhibit, you must have a separate entry using the Dairy Steer entry each time.)
