Each exhibitor in Market Class (Market Barrow & Market Gilt) can enter one animal in the carcass contest. If the exhibitor chooses to enter the carcass sow, the exhibitor must enter the hog that is sold at the Richland County Meat Animal Sale, unless the buyer deems otherwise. If the buyer deems otherwise, the exhibitor may enter another hog, but that hog must be designated while the animal is live. If the exhibitor has more than one hog and neither hog is sold at the Meat Animal Sale, the exhibitor must designate which hog will be entered in the carcass show while the hog is live. The Carcass Show will be held the Wednesday following the county fair.

LIMIT: Three animals per exhibitor in market class. (For each hog you plan to exhibit, you must have a separate entry using Market Barrow or Market Gilt each time.) Nor may an exhibitor be awarded more than 2 premiums in any one weight class.

Swine Superintendents will check market hogs for ear tag numbers, tattoo and ear notches on Thursday before or during the weigh-in at the fair. All market hog identification must match the spring identification forms. If the information does not match, the exhibitor will be barred from that year's junior swine show and Meat Animal Sale.

Junior Swine Superintendents will set market classes for the swine show. These class breaks will be completed 2 hours after the last lot is weighted. If superintendents cannot make these class breaks, they will designate a representative to arrange these swine classes.
