Fair & Recycling Committee Meeting

Present: Buford Marshall, Scott Gald, Jamie Koch, Richard Wastlick, Marilyn Marshall, Carla Doudna, Warren Keys, Sandy Campbell, Gary Peters, C. Hady

Call to order at 9:10am by B. Marshall

Affirmation of public notice, Doudna gave proof of notification

Motion to approve agenda made by M. Marshall, second by Koch, motion carried.

No minutes to approve at this time.

B. Marshall reviewed the past few days with schedule changes and some cancellations. The Meat Animal Sale Committee will be on track with the sale tonight and reception dinner will be moved into the Barn area. Gald and Koch will be helping transport the public from the high school in addition with the shuttle service being provided by the Richland School District. The Fair will be open as usual minus the grandstand events due to flooding. Doudna was again reassured by Chad, Lisa and the ride inspector that the Carnival rides are set and stable with no movement regardless of the flooding and ground saturation.

Wastlick suggested we offer the 4-H to recycle the cans from the fair; Campbell will put it out to which ever Club would like to do that. Doudna briefly discussed the upcoming Clean Sweep Event next month for the County. Wastlick mentioned the traffic flow of that event and that Steve Kohlsted has volunteered to help.

The Committee will continue to have discussions with Emergency Management, Sheriff's Department, UW Extension Staff, Department Superintendents and Meat Animal Sale Staff concerning the flooding and schedule of animal events on the grounds. All will review again as needed to update public.

B. Marshall reviewed the meeting dates and times again with everyone.

Motion by Gald to adjourn, second Wastlick, motion carried.

Next Fair Board Meeting will be 4pm on September 11th, 2016.

Motion by Peters to adjourn, second Gald, motion carried.

Respectfully submitted,

Carla Doudna
